

Weekly Fishing Report for October 26 - November 3, 2003

Weather: Hi 0C / Lo -15C. Cold and clear.

Guests: Week cancelled due to high water conditions. All guests have been re-booked for 2004 season.

The water conditions in all of British Columbia were unfishable this week due to a major storm. We offered our clients a chance to rebook with no penalty for 2004.
