

## **Fishing Report for week of 30 September to 06 October , 2006**

**Guests:** Joe Macy, Michael Scott, KC Walsh, Philip Parkinson, Paul Bertelli, Mike

**Weather:** Hi 10; Lo -2C. Mixed weather. Cool temperatures

**Rivers fished:** Bell Irving, Nass, Meziadin, Kiteen, Cranberry, Iskut

Joe and Michael were the returning guests on this week. We also had the pleasure of welcoming a group from Simms for 3 days. The rivers were finally on the drop and the fishing improved as the week progressed.

We fished the Meziadin and Kiteen rivers early in the week with some success for steelhead hooking 4 in one day.

We explored some rivers on the Iskut system and found some large very bright Coho. Excellent way to spend a day waiting for the steelhead rivers to clear.

The Bell Irving and Nass were producing fish by mid week. The guys from Simms had a 10 hook up day on the Nass. Some large fish on the Bell made for a great end to the week. 30 steelhead for 5 rods this week.
